Quality Policy

Lundy Projects Limited recognises that the disciplines of Quality, health and safety and environmental management are an integral part of its management function. The Organisation views these as a primary responsibility and to be the key to good business in adopting appropriate Quality standards. The Organisation Quality policy calls for continuous improvement in its Quality management activities and business will be conducted according to the following principles.

We will:-

- Establish, implement and maintain a policy that is appropriate to the context of our Organisation and supports our strategic direction.
- Comply with applicable legislation, regulations and standards.
- Maintain process and procedures to meet the requirements of ISO 9001 and BS EN 1090-1 / CE Marking for structural steelwork.
- Maintain and continually improve a Factory Production Control (FPC) system.
- Follow a concept of continuous improvement and make best use of our management resources and infrastructure in all Quality related matters.
- The Organisation will set quality objective on a periodic basis. These will be reviewed at least annually during the Management Review Meeting.
- Communicate our Quality objectives and performance against our objectives throughout the Organisation and to interested parties.
- Take due care to ensure that activities are safe for employees, external providers and others who come into contact with our work.
- Work closely with our Clients and external providers to establish the highest Quality Standards and to achieve customer focus and satisfaction.
- Adopt a forward-looking view on future business decisions which may have Quality impacts.
- Train our staff in the needs and responsibilities of Quality management.
- The Organisation will set quality objective on a periodic basis. These will be reviewed at least annually during the Management Review Meeting.
